PROFESSIONAL EXPERIENCE

Executive & Administrative Coordinator (Organization Head)

Student Body Organization | Aug 2024 - Jun 2026

- Coordinated executive calendars and schedules, resolving conflicts and ensuring meetings and activities were properly organized.
- Served as primary liaison between administration and student leadership, coordinating communications, follow-ups and operational concerns.
- Planned and coordinated events and projects from preparation through execution, tracking tasks, deadlines, and team responsibilities using digital task-management tools.
- Maintained project information, tracked assigned tasks and deadlines, and followed up with team members to keep activities on schedule.

Digital Marketer & Content Creator

Online Platforms | 2021 - 2025

- Managed customer communications and configured automated response workflows to support timely responses and audience engagement.
- Maintained content schedules and weekly publishing deadlines through structured planning and task management.
- Organized digital assets and cloud-based files using consistent naming, descriptions, and tags for efficient retrieval.

REMOTE SETUP
